TRAUMA-08 | Older adults | Conversation support in a proposed CPT pathway

What I will keep and need going forward

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What valuable learning would I like to take into my life?

02 What changed and what still merits professional work?

03 What expected routine, health or relationship change needs planning?

04 Who can help if I choose and how will I preserve my choice?

05 What would accessible, suitable follow-up look like for me?

Mindful Path
