Understanding a moment of digital use

Choose one situation with your therapist. You can write or talk, skip a question, or stop.

Local client code _____ Date _____ Session number _____

01 What particular use would I like to understand without judging myself?

02 What usually happens before I begin?

03 What need does the use meet at that moment?

04 What does it enable, and what does it push aside?

05 At what small point would I like more choice?
