SLEEP-03 | Adults

Learning from an evening routine attempt

Practice chosen together with the therapist. Write a little or talk at the session, even if you could not try it.

Local client code _____ Date _____ Session number _____

01 What parts of the evening sequence were actually possible?

02 How did it affect demands and comfort?

03 What happened when I did not follow the plan exactly?

04 Does the plan need simplifying or support?

05 What can I learn without linking success to sleep duration?
