How the response to worry suited me

Practice chosen together with the therapist. Write a little or talk at the session, even if you could not try it.

Local client code _____ Date _____ Session number _____

01 What response did I choose when worry appeared?

02 Could I change it as I wished?

03 What felt comfortable even if I did not fall asleep?

04 What issue would I still like to discuss with someone?

05 What will I prefer as we consider the next step together?
