One worried moment to bring to our conversation

We will agree on what to notice. I do not need to find a hard moment to fill in the sheet.

Client code _____ Date _____ Session number _____

01 What did we choose for me to notice?

An ordinary moment, a convenient time to remember and who will help if I want.

02 What happened and what worried me?

Where was I? What did I think might happen?

03 What did I do because of worry?

Something I did, or wanted to do but did not.

04 What helped me then?

A person, action or something else. I can say I have not found anything yet.

05 What would I like to tell my therapist?

A question, something I learned or a difficulty filling this in.
