ANX-04 | Follow-up practice | Children, approximately 6–11

What happened in the step we planned together?

Record only what was agreed with the therapist. I can also say I did not try or stopped.

Client code _____ Date _____ Session number _____

> Plan with a therapist after suitability assessment. This is not an instruction for independent exposure or giving up necessary protection and support.

01 What did we agree I would try and with whom?

We will write the step and agreed help in the session.

02 What did I actually do?

What did I try, change or not try?

03 What happened while trying?

What did I see or hear, and how did I feel?

04 What helped and what was hard?

The support and conditions that were actually present.

05 What would I like to share before continuing?

What did I learn and what would we like to adjust together?

Mindful Path
