> Plan with a therapist after suitability assessment. This is not an instruction for independent exposure or giving up necessary protection and support.

01 The plan recorded with the therapist

The agreed step, conditions and support.

02 What was actually done?

What did I try, change or not do, and why?

03 What happened and how did I feel?

A describable outcome, separate from my interpretation.

04 What helped and what made it hard?

Conditions, support or changed circumstances.

05 What did I learn and what is unclear?

Partial results and difficulties also inform the conversation.

06 What will I bring to the therapist before another step?

A question, preference or need to adjust the plan.
