ANX-04 | In-session worksheet | Older adults

Approaching my chosen activity

Choose a step for your wishes and circumstances, after therapist assessment.

Client code _____ Date _____ Session number _____

> Plan with a therapist after suitability assessment. This is not an instruction for independent exposure or giving up necessary protection and support.

01 What activity would I like to approach?

Something meaningful that I postpone or avoid.

02 What am I afraid will happen?

The expectation I bring to the conversation, in my words.

03 What exactly was agreed for me to try?

A step, place and time assessed with the therapist.

04 What conditions and help do I need?

Adjustments and support that remain according to my needs and choices.

05 How can I change or stop?

What was agreed if it does not fit or circumstances change?

06 What do we want to learn and when will we meet?

What will I notice and how will I return to the therapist to consider next steps?

Mindful Path
