Client code _____ Date _____ Session number _____

> A reminder for continued work; not an emergency plan or full risk assessment.

01 What matters to keep doing?

A personal direction I want to remember.

02 What will I notice?

A familiar sign that worry is burdening me again.

03 What helped and what can I remember?

A tool chosen together and the situation it fits.

04 Whose help would I like?

Who, how and what help was agreed.

05 What if it is still hard or things change?

How will I seek assessment and further help as agreed?

06 When will we review suitability?

A time or situation for review with the therapist.
