A reminder card for my tools and support

Choose a few useful reminders and a private way to keep them. The card can change over time.

Client code _____ Date _____ Session number _____

> A reminder for continued work; not an emergency plan or full risk assessment.

01 The direction that matters to me

What do I want to keep doing in life?

02 A familiar response I will notice

What might signal that worry is limiting me again?

03 A chosen tool and when it fits

A brief reminder of something already tried.

04 Support I chose

Whom will I contact and in what agreed way?

05 If the tool is not enough

How will I return for assessment or ask for more help?

06 When we will review again

An agreed review time or situation and what I want to discuss.
