ANX-06 | In-session worksheet | Teenagers, approximately 12–17

My personal plan for continuing with worry

Review changes in goals and life, choosing what to keep and what still needs care. This is not a test for ending treatment.

Client code _____ Date _____ Session number _____

01 What changed, and what remained difficult?

Examples relative to my goal and starting conditions.

02 What situations might challenge me?

Expected changes or familiar patterns.

03 What will I notice early?

A personal change in functioning, routine or response to worry.

04 What tools and conditions helped?

What do I want to keep, and when does it fit?

05 Support and routes to further contact

Whom, how and when will I contact if needed; what sharing was agreed?

06 A review date or condition

When will we review the plan again and what still needs work?

Mindful Path
