The strengths and help I choose

We will recognize what you have available and what is missing. You can choose whether and how to accept help from others.

Client code _____ Date _____ Session number _____

01 What abilities and experience help me?

Something I learned, a way of coping or an ability I have.

02 What gives me interest and meaning?

An activity, relationship, role, value or faith, as I choose.

03 What has already helped me through a difficult time?

What did I do, and what conditions or surroundings supported me?

04 What support or adaptation would I like?

Who can help, and with what? What suits me in terms of place, time and accessibility?

05 What will I choose to include in the next step?

An available resource or help we want to seek; what needs to be agreed before sharing?
