Adolescents, approximately ages 12 to 17

Strengths and support that fit me

We will identify what is already available and what help I want to choose. I do not need to feel positive to fill this in.

Client code _____ Date _____ Session number _____

01 What abilities or qualities help me?

Even a small ability or something I am learning to do.

02 What gives me interest, meaning or a sense of belonging?

An activity, relationship, value, culture or faith, according to what suits me.

03 What helped me in a difficult situation before?

What did I do, and what conditions made it possible?

04 Who can support me, and in what way?

What would I like to ask for, what does not suit me, and what needs to be agreed about sharing?

05 What would help in my surroundings or in how we work?

Time, place, pace, accessibility or an explanation in a different way.

06 What resource will I choose for the next step?

How will I use it, or what is missing that we need to find together?

Mindful Path
