Core 01 | Older adults | Practice between sessions

My chosen step and what I learned

We will plan together. After the attempt, we will add what happened and what we learned.

Client code _____ Date _____ Session number _____

01 What will I try, and what matters to me to move forward?

The chosen action and its connection to my goal.

02 When and where will I try?

Together we will choose a scope that suits me and a reminder if I want one.

03 What support or adaptation would help?

What will make starting easier? What can change if the plan does not fit?

04 After the attempt: What actually happened?

I can also record a partial attempt or why I did not begin.

05 What did I learn, and what would I like to explore in the meeting?

What helped, what was hard, and what might suit me better?
