Practice between sessions | Children, approximately ages 6 to 11

One moment to bring to our meeting

We will plan together what to notice. After an ordinary moment in the day, I can write or tell the therapist.

Client code _____ Date _____ Session number _____

> I can leave a question blank. I do not need to enter a hard situation to fill in this sheet.

01 What did we agree I would notice?

What moment suits me, and when will it feel comfortable to remember or describe it?

02 What happened?

Where was I, and what did I see or hear?

03 What did I say to myself in my head?

Words or a picture that came to mind. I can also say: I do not remember.

04 What did I feel, and what did I feel in my body?

One feeling or several, and a body sensation if I noticed one.

05 What did I do, and what happened next?

What did I do or not do? Did anything help?

06 What would I like to share or ask in our meeting?

I can also say what was hard to remember or fill in.
