Practice between sessions | Children, approximately ages 6 to 11

Noticing what my mind says

We will plan a short practice together. After an ordinary moment, I can write or tell what I noticed.

Client code _____ Date _____ Session number _____

> I do not have to find a mistake in the thought. I can say I forgot or that recording it did not suit me.

01 What did we agree I would notice?

A suitable moment and a convenient time to remember or tell about it.

02 What happened this time?

What did I see or hear?

03 What did I say to myself in my head?

Words or a picture that came to mind then.

04 What do I know, and what do I only think might have happened?

I can ask my therapist to help separate these.

05 How did I feel and what did I do?

Did the thought remind me of something we already discussed?

06 What question will I bring to the session?

Something I want to understand or a difficulty with practice.
