In-session worksheet | Adolescents, approximately ages 12 to 17

Noticing what recurs without judging myself

We will compare two situations I chose, separating what happened from the meaning I gave it.

Client code _____ Date _____ Session number _____

01 First example

What actually happened, and in what context?

What sentence, image or interpretation came up for me?

02 Another example

What actually happened, and in what context?

What sentence, image or interpretation came up for me?

03 What is similar, and what is different?

There may be a recurring theme, or the contexts may differ. We will write it as a possibility.

04 What was the effect on my feelings and response?

Did similar thoughts accompany similar responses? What else had an effect?

05 What question will I keep for later?

What is still unclear, or what would I like to explore with my therapist?
