In-session worksheet | Children, approximately ages 6 to 11

What else could be true?

Together we will choose a moment and thought I want to understand. I can talk while the therapist writes. We do not need one answer.

Client code _____ Date _____ Session number _____

01 What happened and what did I think?

What did I see or hear, and what words went through my mind?

02 What made me think that?

Something that really happened and relates to this thought.

03 What else matters?

Something else that happened, or something that does not fit everything I thought.

04 What do I still not know?

Is there another way to understand the moment? It is okay not to know.

05 What sentence fits what we learned?

Something I can say in my own words, even if something is still unclear.

06 What could help me now?

A small step or help we choose together.
