CORE-05 | Follow-up practice | Children, approximately 6–11

I tried a small step

We will plan together. Afterwards, we can write or talk about what happened.

Client code _____ Date _____ Session number _____

01 What did I choose to try and when?

The step we agreed on and the help I chose.

02 What did I actually do?

I can describe a small start or say I did not try.

03 What happened, and how was it for me?

What did I notice during and after trying?

04 What helped and what made it hard?

What can we learn about the time, place and help?

05 What would we like to change next time?

A smaller step, different help or an action that fits me better.

06 What will I bring to the session?

A question or something I want to remember.

Mindful Path
