CORE-06 | Follow-up practice | Older adults

What did I learn from the solution I tried?

Record in writing or conversation. We will review how well the idea fitted and the support it needs.

Client code _____ Date _____ Session number _____

01 What did I choose to try and when?

The problem and agreed step.

02 What did I do or what made starting hard?

A description of what actually happened.

03 What changed and what is still difficult?

In relation to the situation I wanted to improve, even if change was small or absent.

04 What helped and what did not fit?

Conditions, support or effort that were needed.

05 What would I like to adjust next?

Another idea, a changed step or more help I choose.

06 What matters to bring to our conversation?

A question or decision for next steps.

Mindful Path
