Trying a solution and reviewing what worked

We plan together. We will record the result in relation to my chosen problem, without making it a grade for me.

Client code _____ Date _____ Session number _____

01 What solution was chosen?

The agreed problem, step and time.

02 What was actually done?

What did I try and how much? If I did not start, what got in the way?

03 What changed in relation to what I wanted?

A describable outcome, including partial change or no change.

04 What factors had an influence?

Conditions, people, resources or a difficulty with the plan itself.

05 What needs adjusting?

Change the step, choose another idea or get more support.

06 What would I like to explore next session?

A question or decision to consider together.
