CORE-06 | In-session worksheet | Children, approximately 6–11

From one problem to a first step

Together we will choose a small problem to work on. I am not responsible for solving everything.

Client code _____ Date _____ Session number _____

01 What is the problem and what would I like to happen?

One situation we can understand together.

02 What can I influence?

What needs an adult's help or a change around me?

03 What ideas could we try?

We will think of more than one option before choosing.

04 What could help and what is hard about each idea?

Together we will compare and choose an option that fits me.

05 What will we do and when will we check?

A first step, who will help and how we will see what happened.
