CORE-06 | In-session worksheet | Older adults

Choosing a step for a problem that matters to me

We will choose one problem and consider approaches suited to your preferences and circumstances.

Client code _____ Date _____ Session number _____

01 What is the problem and what can I influence?

What would I like to change, and what needs help or action from others?

02 What options do I have?

These may include an environmental adjustment or help I choose.

03 What fits and what is difficult about each option?

Effort, time, possible benefits and my preferences.

04 Which option will I start with?

A specific step at a scope that suits me.

05 When will I try and how will we review?

Desired support and a practical sign we can return to in conversation.

Mindful Path
