CORE-07 | In-session worksheet | Older adults

A small experiment for shared learning

With the therapist, we will choose a question and activity suited to you. You can ask for clarification, change or postpone.

Client code _____ Date _____ Session number _____

01 What do I expect to happen?

One expectation I want to explore together.

02 What activity was chosen?

A clear action with agreed scope and conditions.

03 What do we want to see or hear?

Information we can describe about the expectation, even without a clear answer.

04 When, and what support would I like?

Time, place, preparation and a companion's role only if chosen and agreed.

05 What are the boundaries and what will change if unsuitable?

When should we stop, reduce or consult the therapist again?

06 When will we talk again and what will we remember?

A comfortable recording method and an agreed time to review the outcome.
