CORE-08 | Follow-up practice | Older adults

The tools and support I choose for next steps

We will choose comfortable reminders and a plan we can update. We can complete it together in conversation.

Client code _____ Date _____ Session number _____

01 In what situation would I like to use the plan?

A familiar situation or change I want to consider.

02 What has helped and can be kept?

A tool, action or adjustment that suited me.

03 What will signal a need for attention?

A personal change in routine, functioning or feelings.

04 What is the first step, and what if it does not help?

A suitable action and renewed exploration if adjustment is needed.

05 Who would I like help from and how?

Support I choose and when to request further assessment.

06 When will we review the plan again?

A date or situation chosen together and what we want to explore.

Mindful Path
