My personal toolbox for the way ahead

We will choose what to take from our work and how to use it. The plan can change with my life and needs.

Client code _____ Date _____ Session number _____

01 What situation should I consider?

A familiar context or expected change needing attention.

02 What tool or action has already helped me?

A brief reminder for use, without repeating the whole process.

03 What personal signs will help me notice difficulty?

A change I recognize in my routine, functioning or feelings.

04 What will I try and how will I adapt if it does not help?

A first step and a way back to exploration instead of forcing myself to continue.

05 What support will I choose and when will I reach out?

To whom, how and in what situation agreed with the therapist?

06 When will we review again?

A review date or condition, and what I want to discuss.
