Checking the chosen plan's suitability

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What part of the plan fitted my reality?

02 What was unclear or impossible to carry out?

03 Were my choice and sharing boundaries preserved?

04 What adjustment would I like to propose without changing the exercise alone?

05 What should we examine together before continuing treatment?
