One thing to share after the work

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What moment from our work did we agree I would describe?

02 What happened, briefly in my words?

03 What differed from what I first thought?

04 What help did I want but could not ask for?

05 What will I bring without checking the story again?
