Learning to bring to the next session

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What part of the agreed treatment follow-up was possible?

02 What did I notice without measuring every moment?

03 What did I learn about my actions when doubt appears?

04 Did I seek confirmation from the sheet that I succeeded enough?

05 What would I like to ask before deciding on another attempt?
