OCD-07 | Older adults

What fitted in the accompaniment I received

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What accompaniment did I receive according to my choice?

02 Could I decide and express preferences at the time?

03 What help was useful and what was burdensome?

04 What conditions or needs require an update?

05 What request will I bring to therapist and companion?
