OCD-07 | Adolescents

Feedback on support and sharing

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What part of supporter coordination was possible in practice?

02 Were my choices about sharing and privacy respected?

03 What support helped me participate in everyday life?

04 Where was there pressure or misunderstanding to discuss in treatment?

05 What would I like to update before another decision?
