CORE-08 | In-session worksheet | Older adults

What have I learned, and what suits the next stage?

Together we will review what matters to you, the changes and the support you want to keep.

Client code _____ Date _____ Session number _____

01 What were the goals, and how do they look today?

What still matters to me, and what would I like to change in our direction?

02 What has changed in daily life?

An example relative to the starting point, including the conditions and help available.

03 What helped me, and what was less suitable?

A tool, action, support or way of working.

04 What else needs attention?

A remaining difficulty or a sign that would lead me to ask for help.

05 What will I choose next, and when will we review it?

Tools to retain, desired support and an agreed review plan.

Mindful Path
