CORE-08 | In-session worksheet | Adolescents, approximately ages 12 to 17

Reviewing progress and choosing what comes next

We will compare with my personal starting point and goals. We can choose to continue, adapt or return to an earlier tool.

Client code _____ Date _____ Session number _____

01 What goals did I want to work toward?

Do they still matter to me, or have they changed?

02 What has changed in my functioning and life?

Examples compared with the period and conditions chosen at the start of tracking.

03 What was useful, and what was less suitable?

Tools, practice, support or how we worked together.

04 What remains, and what are signs of recurring difficulty?

A topic to continue and personal changes I want to notice.

05 What tools and support would I like to keep?

What suits me, and when should I ask for more help?

06 What follow-up plan will we choose?

An action, change or return to a unit, and a date for shared review.
