TRAUMA-02 | Older adults | Conversation support in a proposed CPT pathway

What suits me and what needs changing

Draft for review. Record follow-up chosen with the therapist; do not start trauma processing using this sheet alone.

Local client code _____ Date _____ Session number _____

01 What planning fitted my routine and preferences?

02 What further adjustment might ease participation?

03 What health or support change would I like to mention?

04 What am I still missing to choose next steps?

05 What would I like to tell the therapist myself next session?
