TRAUMA-04 | Children | Conversation support in a proposed TF-CBT pathway

A thought to bring to the conversation

Draft for review. Record follow-up chosen with the therapist; do not start trauma processing using this sheet alone.

Local client code _____ Date _____ Session number _____

01 What thought did we choose to bring to the session?

02 In what everyday situation did I notice it?

03 What feeling was there, in my words?

04 What was hard to separate or understand?

05 What do I want to ask the therapist about it?
