TRAUMA-04 | Children | Conversation support in a proposed TF-CBT pathway

What happened, what I thought and what I felt

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What small situation today did I choose to explore with the therapist?

02 What words went through my mind then?

03 What feeling did I have and what do I call it?

04 What differs between what happened and what I thought?

05 What question do I want us to explore about the thought?

Mindful Path
