TRAUMA-05 | Adults | Conversation support in a proposed CPT pathway

Recording focused session work

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What stuck point or meaning did we choose to work on?

02 What approach was explained and agreed within CPT?

03 What did I discover about the meaning I assigned?

04 What question remains open without requiring a written event account?

05 What follow-up was adapted for me, if any?

Mindful Path
