TRAUMA-05 | Children | Conversation support in a proposed TF-CBT pathway

What matters in our chosen conversation

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What did the therapist explain we will do together today?

02 What do I want to ask before starting?

03 How will I show I want an explanation or break?

04 What did I understand about myself, without story details?

05 What did we agree can be told to my support adult?
