TRAUMA-05 | Older adults | Conversation support in a proposed CPT pathway

Questions and learning in the focused session

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What did we choose to explore and what is its purpose for me?

02 What pace, language or access adjustment did I request?

03 What new understanding or reservation do I want to remember?

04 What remains complex and worth another conversation?

05 What agreed follow-up fits my energy and routine?

Mindful Path
