TRAUMA-08 | Children | Conversation support in a proposed TF-CBT pathway

What I learned and who will help me next

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What did I understand or learn about myself in our talks?

02 What became more possible and what is still hard?

03 Which adult can I ask for help under our plan?

04 What coming day or change should we think about together?

05 How will the adult and I know when to contact the therapist again?
